TITLE 16—COMMERCIAL PRACTICES

Chapter I—Federal Trade Commission

[Docket 6376]

PART 13—DIGEST OF CEASE AND DESIST ORDERS

PUGET SOUND SALMON CANNERS, INC., ET AL.

Subpart—*Combining or conspiring:* § 13.430 *To enhance, maintain or unify prices;* § 13.475 *To restrict competition in buying.*

(Sec. 6, 38 Stat. 721; 15 U. S. C. 46. Interpret or apply sec. 5, 38 Stat. 719, as amended; 15 U. S. C. 45) [Cease and desist order, Puget Sound Salmon Canners, Inc. (Seattle, Wash.), et al., Docket 6376, Oct. 8, 1956]

In the Matter of Puget Sound Salmon Canners, Inc., a Corporation, Its Officers, Directors, and Members; and Alaska Packers Association, American Packing Company, Burk Canning Company, Inc., Jay F. Carroll, Doing Business as Anacortes Canning Company, Columbia River Packers Association, Inc., Dressel-Collins Fish Company, Farwest Fishermen, Inc., Fishermen's Packing Corporation, Friday Harbor Canning Company, New England Fish Company, Pacific American Fisheries, Inc., Sebastian-Stuart Fish Company, Washington Fish and Oyster Company, Inc., and Whiz Fish Products Company, Individually and as Members of Puget Sound Salmon Canners, Inc.; Purse Seine Vessel Owners Association, Its Officers, Directors, and Members; and Local No. 3, Fishermen & Allied Workers Division, International Longshoremen & Warehousemen's Union

This proceeding was heard by a hearing examiner on the complaint of the Commission, charging a trade association of salmon canners, an association of fishing vessel owners or captains and the union of fishermen making up their crews, together with the members of all three, with entering into and maintaining agreements fixing minimum prices for raw or fresh salmon in the Puget Sound fishing area.

An initial decision based on entry of an agreement for a consent order disposing of the proceeding as to 13 canner respondents and dismissing the complaint as to the remaining canner, was issued on May 8, 1956.[1] As to the remaining respondents, hearings were held in due course and proposed findings and conclusions were submitted by some of the parties.

On this basis, the hearing examiner made his initial decision, including findings and order to cease and desist, from which the Union appealed.

The Commission, in an opinion by Commissioner Secrest, denied the appeal and adopted as its own the findings, conclusions, and order contained in the initial decision, Commissioner Mason dissenting to the order to the extent that it attempted to impose sanctions upon Association and Union members who were not parties respondent.

The order to cease and desist is as follows:

It is ordered, That respondents Purse Seine Vessel Owners Association and Local No. 3, Fishermen & Allied Workers Division, International Longshoremen & Warehousemen's Union, their members, officers, agents, representatives and employees, directly or through any corporate or other device, in connection with the purchase or sale, or offering to purchase or sell, in commerce, as "commerce" is defined in the Federal Trade Commission Act, of raw or fresh salmon caught in the fishing area of Puget Sound, do forthwith cease and desist from entering into, continuing, cooperating in or carrying out any planned common course of action, understanding or agreement between any two or more of said respondents, or between any one or more of said respondents and any one or more of the respondents named in any other order to cease and desist issued by the Commission in this proceeding, or between any one or more of the respondents named herein and others not parties to this proceeding, to do any of the following things:

1. Entering into or carrying out, or attempting to enter into or carry out, any "Working Agreement" or "Salmon Agreement," as defined and explained in the complaint herein, or any other agreement or understanding having as its purpose or effect the fixing or maintaining of any price or prices at which raw or fresh salmon is to be purchased or sold.

MISCELLANEOUS AMENDMENTS

The following amendments to Chapter I of Title 8 of the Code of Federal Regulations are hereby prescribed:

1. Paragraph (a) of § 2.3 *Remittance of fees* is amended to read as follows:

(a) *When submitted.* Except as otherwise provided in § 2.5, fees shall be submitted with any formal application or petition prescribed in this chapter and shall be in the amount prescribed by the act or other applicable statute or regulation. 2. Section 2.5 is amended so that when taken with the introductory material the twenty-second item will read as follows:

For filing application for preexamination. (The fee and application shall not be required of an alien who has filed an application for adjustment of status under section 4 of the Displaced Persons Act of 1948, as amended, or section 6 of the Refugee Relief Act of 1953, as amended, or for suspension of deportation, or who has filed a previous application for preexamination.)	25.00

5. Subparagraph (1) of paragraph (j) of § 4.2 is amended, so that when taken with the introductory material, it will read as follows:

§ 4.2 *Presumption of lawful admission.* An alien of any of the following-described classes shall be presumed to have been lawfully admitted for permanent residence within the meaning of the Immigration and Nationality Act (even though no record of his admission can be found, except as otherwise provided in this part) unless the alien abandoned his status as a lawful permanent resident, or lost such status by operation of law, at some time subsequent to such admission:

* * * * *

(j) *Aliens admitted to Guam.* (1) An alien who establishes that he was admitted to Guam prior to December 24, 1952, by records, such as Service records subsequent to June 15, 1952, records of the Guamanian Immigration Service, records of the Navy or Air Force, or records of contractors of those agencies; that he was not excludable under the act of February 5, 1917, as amended; and that he continued to reside in Guam until December 24, 1952, and thereafter has not been admitted or readmitted into Guam as a nonimmigrant: *Provided*, That the provisions of this subparagraph shall not apply to an alien who was exempted from the contract laborer provisions of section 3 of the Immigration Act of February 5, 1917, as amended, through the exercise, expressly or impliedly, of the 4th or 9th provisos to section 3 of the said act.

PART 212—DOCUMENTARY REQUIREMENTS FOR NONIMMIGRANTS: ADMISSION OF CERTAIN INADMISSIBLE ALIENS; PAROLE

PART 299—IMMIGRATION FORMS

NONRESIDENT ALIEN MEXICAN BORDER CROSSING CARD

The following amendments to Chapter I of Title 8 of the Code of Federal Regulations are hereby prescribed:

1. The proviso in § 212.1 *Documentary requirements for nonimmigrants* is amended to read as follows: "*Provided*, That a valid nonresident alien Mexican border crossing card shall be acceptable in lieu of a nonimmigrant visa when presented in accordance with the provisions of § 212.11."

2. Section 212.11 is amended to read as follows:

§ 212.11 *Nonresident alien Mexican border crossing card*—(a) *Form.* Form I–186 is a nonresident alien's border crossing identification card when it is in the possession of and presented by the rightful holder thereof as provided in this part.

(b) *Use.* The rightful holder of a nonresident alien Mexican border crossing card may present such card in lieu of a nonimmigrant visa when arriving direct from Mexico and applying for admission to the United States at a port of entry situated along the border between the United States and Mexico. The presentation of such card shall not otherwise relieve the holder from establishing his admissibility to the United States under the applicable provisions of the act.

(c) *Form I–186; who may apply.* A nonresident alien Mexican border crossing card may be issued to any alien who, upon application therefor, (1) submits satisfactory evidence that he is a citizen and resident of Mexico, (2) presents a valid unexpired passport required of nonimmigrants, unless a passport is not required to be presented under the provisions of this part, (3) desires temporary admission into the continental United States for a period or periods of not more than 72 hours each, (4) is admissible to the United States as a bona fide nonimmigrant, and (5) has been fingerprinted.

(d) *Application.* Application for a nonresident alien Mexican border crossing card shall be made on Form I–190 at any Service office located at a port of entry situated along the border between the United States and Mexico, or at any United States consulate in Mexico. Photographs of the applicant shall be submitted with each application form. No appeal shall lie from a denial of the application, but such denial shall be without prejudice to the alien's application to an American consul for a nonimmigrant or immigrant visa, or to the Service for admission into the United States.

(e) *Validity of Form I–186.* A nonresident alien Mexican border crossing card shall be valid until declared void. Any immigration or consular officer may, without notice, void a nonresident alien Mexican border crossing card. Such action shall be without prejudice to the alien making application to an American consul for a nonimmigrant or immigrant visa, or to the Service for admission into the United States. No appeal shall lie from the decision of an immigration or consular officer declaring void a nonresident alien Mexican border crossing card.

(f) *Surrender and replacement.* A void nonresident alien Mexican border crossing card shall be immediately surrendered to any immigration or consular officer. A nonresident alien's border crossing identification card issued prior to November 1, 1956, shall be invalid after July 1, 1957. If a nonresident alien Mexican border crossing card has been lost, mutilated, or destroyed, the person to whom such card was issued may apply for a new card in accordance with the provisions of this section, and in such case shall attach the mutilated card to his application.

(g) *Previous removal, deportation; permission to reapply.* An alien who establishes that he is in all respects entitled to admission as a visitor for business or pleasure or as a student when in possession of a nonresident alien Mexican border crossing card, except that he has been previously removed at Government expense pursuant to section 242 (b) of the act, or excluded or deported solely because of entry without inspection or absence of required documents, is hereby granted permission to reapply for admission to the United States.

3. The references to Forms I–186 and I–190 in § 299.1 *Prescribed forms* are amended to read as follows:

Form No.	*Title and description*
I–186	Nonresident Alien Mexican Border Crossing Card.
I–190	Application for Nonresident Alien Mexican Border Crossing Card.

(Sec. 103, 66 Stat. 173; 8 U. S. C. 1103)

This order shall become effective on November 1, 1956. Compliance with the provisions of section 4 of the Administrative Procedure Act (60 Stat. 238; 5 U. S. C. 1003) as to notice of proposed rule making and delayed effective date is unnecessary in this instance because the rules prescribed by the order relate to agency procedure and confer benefits upon persons affected thereby.

Dated: October 23, 1956.

Commissioner of Immigration and Naturalization.

TITLE 7—AGRICULTURE

Chapter III—Agricultural Research Service, Department of Agriculture

PART 319—FOREIGN QUARANTINE NOTICES

SUBPART—NURSERY STOCK, PLANTS, AND SEEDS

POSTENTRY QUARANTINE

On September 15, 1956, there was published in the FEDERAL REGISTER (21 F. R. 6977) under section 4 of the Administrative Procedure Act (5 U. S. C. 1003), a notice of rule making relating to the proposed amendment of § 319.37–19 (c) of the regulations supplemental to the quarantine relating to the importation of nursery stock, plants, and seeds (7 CFR 319.37–19 (c); 21 F. R. 2589). After due consideration of all relevant matters presented, and under the authority of sections 5 and 9 of the Plant Quarantine Act of 1912, as amended (7 U. S. C. 159, 162), § 319.37–19 (c) is hereby amended by revising the item therein relating to "Rhododendron spp., including azaleas (evergreen plants of all species and varieties; and any deciduous species or varieties in foliage)" to read as follows:

Plants to be grown under postentry quarantine	*Where imported from*
Rhododendron spp., including azaleas (evergreen plants of all species and varieties; and any deciduous species or varieties in foliage).	Europe (except The Netherlands), Asia, New Zealand, and North America north of the United States-Canadian border. (If the United States Department of Agriculture acquires evidence it considers to be conclusive, indicating that the rust, Chrysomyxa ledi (Alb. & Schw.) d By. var. rhododendri (d By.) Savile (formerly known as C. rhododendri (DC.) d By.), does not occur within any country in the areas named and that it is being prevented entry therein by adequate plant quarantine measures, such plants may be permitted entry in accordance with the provisions of § 319.37–6.)

This amendment exempts Rhododendron spp. (including azaleas) of the categories designated, imported from The Netherlands, from the list of restricted material that is to be grown under postentry quarantine.

The United States Department of Agriculture has acquired evidence which it considers to be conclusive that the rust, Chrysomyxa ledi (Alb. & Schw.) d By. var. rhododendri (d By.) Savile, does not occur in The Netherlands and that the rust is being prevented entry therein by adequate plant quarantine measures. Therefore, such Rhododendron spp. will be permitted entry in accordance with the provisions of § 319.37–6.

The acquired evidence that is considered to be conclusive includes negative rust surveys in Holland during 1948, 1955, and 1956 by plant pathologists of the Department. Furthermore, the disease has not been observed by either Federal or State inspectors in any Holland-grown azaleas or rhododendrons grown here under postentry quarantine. There are no known authentic reports in world literature of occurrence of the rust in The Netherlands, nor has the rust ever been observed on Holland-grown Rhododendron spp. offered for import into the United States. Also, a formal statement has been received from the Phytopathological Service of The Netherlands affirming that this species of rust does not occur in that country and citing the quarantine measures adopted to prevent its entry from other countries. These quarantine measures are deemed adequate.

Since this amendment relieves restrictions, it is within the exception in section 4 (c) of the Administrative Procedure Act (5 U. S. C. 1003 (c)) and may properly be made effective less than 30

days after publication in the FEDERAL REGISTER.

(Sec. 9, 37 Stat. 318; 7 U. S. C. 162. Interprets or applies sec. 5, 37 Stat. 316; 7 U. S. C. 159)

This amendment shall become effective October 26, 1956.

Done at Washington, D. C., this 19th day of October 1956.

Administrator,
Agricultural Research Service.

PART 146c—CERTIFICATION OF CHLORTETRACYCLINE (OR TETRACYCLINE) AND CHLORTETRACYCLINE- (OR TETRACYCLINE-) CONTAINING DRUGS

MISCELLANEOUS AMENDMENTS

Under the authority vested in the Secretary of Health, Education, and Welfare by the Federal Food, Drug, and Cosmetic Act (sec. 507, 59 Stat. 463, 61 Stat. 11, 63 Stat. 409, 67 Stat. 389; sec. 701, 52 Stat. 1055; 21 U. S. C. 357, 371) and delegated to the Commissioner of Food and Drugs by the Secretary (20 F. R. 1996), the regulations for tests and methods of assay and certification of antibiotic and antibiotic-containing drugs (21 CFR Parts 141c, 146b, 146c; 21 F. R. 1849, 2231, 7433) are amended as indicated below:

1. In § 141c.224 *Tetracycline hydrochloride-nystatin capsules*, paragraph (b) *Nystatin used in making the capsules* is amended by changing subparagraph (1) (ii) (*a*) to read as follows:

(*a*) Make nutrient agar for carrying the organism and for preparing the inoculated agar plates as follows:

Peptone	9.4 grams.
Yeast extract	4.7 grams.
Beef extract	2.4 grams.
Sodium chloride	10.0 grams.

Agar	23.5 grams.
Distilled water to make	1,000 milliliters.

pH 6.0 to 6.2 after sterilization.

2. In § 146b.104 *Streptomycin tablets* * * *, paragraph (a) *Standards of identity* * * * is amended by changing the words "5 percent" in the fourth sentence to read "10 percent".

3. In § 146c.231 *Capsules tetracycline and oleandomycin phosphate*, paragraph (a) (1) is amended by changing the words "100 milligrams" in the first sentence to read "80 milligrams".

Notice and public procedure are not necessary prerequisites to the promulgation of this order, and I so find, since it was drawn in collaboration with interested members of the affected industry and since it would be against public interest to delay providing for the amendments set forth above.

Effective date. This order shall become effective upon publication in the FEDERAL REGISTER.

(Sec. 701, 52 Stat. 1055; 21 U. S. C. 371. Interpret or apply sec. 507, 59 Stat. 463, as amended; 21 U. S. C. 357)

Dated: October 19, 1956.

PART 146c—CERTIFICATION OF CHLORTETRACYCLINE (OR TETRACYCLINE) AND CHLORTETRACYCLINE- (OR TETRACYCLINE-) CONTAINING DRUGS

MISCELLANEOUS AMENDMENTS

By virtue of the authority vested in the Secretary of Health, Education, and Welfare by the Federal Food, Drug, and Cosmetic Act (sec. 507, 59 Stat. 463 as amended; sec. 701, 52 Stat. 1055 as amended; 21 U. S. C. 357, 371) and delegated to the Commissioner of Food and Drugs by the Secretary (20 F. R. 1996), the regulations for certification of chlortetracycline or tetracycline and chlortetracycline- or tetracycline-containing drugs (21 CFR Part 146c) are amended as indicated below:

1. In § 146c.203 *Chlortetracycline troches* * * *, subparagraph (1) (iv) of paragraph (c) *Labeling* is amended by inserting immediately after the words "48 months" the words "or 60 months".

2. In § 146c.208 *Chlortetracycline otic* * * *, subparagraph (1) (iii) of paragraph (c) *Labeling* is amended to read as follows:

(iii) The statement "Expiration date _____," the blank being filled in, if it is tetracycline hydrochloride otic, with the date that is 24 months, or if it is chlortetracycline otic, with the date that is 48 months after the month during which the batch was certified: *Provided, however,* That such expiration date may be omitted from the immediate container if such immediate container is packaged in an individual wrapper or container.

Notice and public procedure are not necessary prerequisites to the promulgation of this order, and I so find, since it was drawn in collaboration with interested members of the affected industry and since it would be against public interest to delay providing for the amendments set forth above.

Effective date. This order shall become effective upon publication in the FEDERAL REGISTER.

PART 36—SERVICEMEN'S READJUSTMENT ACT OF 1944

SUBPART A—TITLE III; LOAN GUARANTY

MISCELLANEOUS AMENDMENTS

1. In § 36.4302, paragraph (h) is amended to read as follows:

§ 36.4302 *Computation of guaranties or insurance credits.* * * *

(h) Notwithstanding the provisions of paragraph (g) of this section, if real or personal property acquired or improved with the proceeds of a guaranteed or insured loan be thereafter:

(1) Taken (by condemnation or otherwise) by the United States or any State or local government agency for public use; or

(2) Destroyed or damaged by fire or other natural hazard to the extent that occupancy, use, or restoration is impractical, and which destruction or damage is not resultant from an act or omission willfully designed by the veteran to bring about such destruction or damage; or

(3) Disposed of because of other compelling reasons devoid of fault on the part of the veteran;

the Administrator in the exercise of discretion in any such case may exclude the entitlement used in respect to such loan, and the entitlement so excluded shall be disregarded in determining the subsequent use of entitlement by the veteran except for the calculation of the gratuity payable on a new loan. This paragraph shall be construed to authorize the exclusion of guaranty or insurance entitlement used on a home loan obtained by a veteran which was guaranteed or insured under section 501 or section 505 (a) of the act, and with respect to which the real property which served as security for the loan was disposed of because the veteran, while in the military service, was transferred by the military department with which he was serving. Exclusion of entitlement used in connection with a guaranteed or insured loan shall not be authorized so long as the Administrator remains liable thereon as guarantor or insurer.

2. In § 36.4303, paragraph (f) is amended to read as follows:

§ 36.4303 *Reporting requirements.* * * *

(f) Evidence of a guaranty will be issued by the Administrator by appropriate endorsement on the note or other instrument evidencing the obligation, or by a separate certificate at the option of the lender. Notice of credit to an insurance account will be given to the lender. Unused certificates of eligibility issued prior to March 1, 1946, are void. In the event loans are reported to the Administrator for guaranty or insurance in respect to which entitlement of the veteran shall not have been reserved, any unused or unreserved entitlement of a veteran shall be applied to the loans in the order they are reported to, or made by, the Administrator. Entitlement reserved by the Administrator may not be so applied or otherwise used until released by the lender for whose benefit the reservation is outstanding. No certificate of commitment shall be issued and no loan shall be guaranteed or insured unless the lender, the veteran, and the loan are shown to be eligible; nor shall guaranty or insurance evidence be issued on any loan for the purchase or construction of residential property, or for the alteration, improvement or repair thereof, if the application of the veteran to a lender for such loan was made on or after September 15, 1956, unless the Administrator determines that there has been compliance by the veteran with the certification requirements of section 504 (d) of the act.

3. In § 36.4323, a new paragraph (f) is added as follows:

§ 36.4323 *Subrogation and indemnity.* * * *

(f) Whenever any veteran disposes of residential property securing a guaranteed or insured loan obtained by him under the act, the Administrator, upon application made by such veteran, shall issue to the veteran a release relieving him of all further liability to the Administration on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Administrator has determined, after such investigation as he may deem appropriate, that there has been compliance with the conditions prescribed in section 506 (b) of the act. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by the transferee's execution of an agreement in writing in such form as the Administrator may require. Release of the veteran from liability to the Administrator will not impair or otherwise affect the Administrator's guaranty or insurance liability on the loan, or the liability of the veteran to the holder. Any release of liability granted to a veteran by the Administrator shall inure to the spouse of such veteran. The release of the veteran from liability to the Administrator will constitute the Administrator's prior approval to a release of the veteran from liability on the loan by the holder thereof.

4. In § 36.4335, paragraph (b) is amended to read as follows:

§ 36.4335 *Supplementary administrative action.* * * *

(b) The requirement in § 36.4303 (d) that a lender originating a loan under a certificate of commitment (VA Form VB 4–1866) report the loan for issuance of guaranty or insurance evidence within 30 days following actual payment of the full proceeds of the loan. In such cases it is not necessary that a finding be made that the loan is not in default.

5. Section 36.4336 is revised to read as follows:

§ 36.4336 *Eligibility of loans; reasonable value requirements.* No loan made for the purchase of property, or for construction, alterations, repairs, or improvements thereof, shall be eligible for guaranty or insurance if the purchase price or cost to the veteran exceeds the reasonable value thereof as determined by the Administrator. Notwithstanding that the aggregate of the purchase price or cost to the veteran, and the amount remaining unpaid on taxes, special assessments, prior mortgage indebtedness, or other obligations of any character secured by enforceable superior liens or a right to such lien existing as of the date the loan is closed exceeds the reasonable value of such property as of said date and that evidence of guaranty or insurance credit is issued in respect thereof, as between the holder and the Administrator (for the purpose of computing the claim on the guaranty or insurance and for the purposes of § 36.4320, and all accountings), the indebtedness which is the subject of the guaranty or insurance shall be deemed to have been reduced as of the date of the loan by a sum equal to such excess, less any amounts secured by liens released or paid on the obligations secured by such superior liens or rights by a holder or others without expense to or obligation on the debtor resulting from such payment, or release of lien or right; and all payments made on the loan shall be applied to the indebtedness as so reduced. Nothing in this section affects any right or liability resulting from fraud or willful misrepresentation.

6. The text of § 36.4508 is designated paragraph (a) and a new paragraph (b) is added as follows:

§ 36.4508 *Transfer of property by borrower.* * * *

(b) Whenever any veteran disposes of residential property securing a direct loan obtained by him under the act, the Veterans Administration, upon application made by such borrower, shall issue to the borrower a release relieving him of all further liability to the Veterans Administration on account of such loan (including liability for any loss resulting from any default of the transferee or any subsequent purchaser of such property) if the Veterans Administration has determined, after such investigation as it deems appropriate, that there has been compliance with the conditions prescribed in section 506 (b) of the act. The assumption of full liability for repayment of the loan by the transferee of the property must be evidenced by the transferee's execution of an agreement in writing in such form as the Veterans Administration may require. Any release of liability granted to a veteran by the Veterans Administration shall inure to the spouse of such veteran.

7. In § 36.4514, a new paragraph (f) is added as follows:

§ 36.4514 *Eligibility requirements.* * * *

(f) In respect to a loan application received on or after September 15, 1956, there has been compliance by the applicant with the certification requirements prescribed in section 504 (d) of the act.

8. In § 36.4519, that portion of paragraph (a) immediately preceding subparagraph (1) is amended to read as follows:

§ 36.4519 *Eligible purposes and reasonable value requirements.* (a) A loan may be made only for the purposes hereinafter set forth in this paragraph, and the purchase price or cost of the property, construction, repairs, alterations, or improvements to be financed with the loan proceeds may not exceed the reasonable value of the same as established by Veterans Administration:

(Sec. 504, 58 Stat. 293, as amended; 38 U. S. C. 694d)

(Sec. 32, 41 Stat. 450; 30 U. S. C. 189)

F. E. WORMSER,
Acting Secretary of the Interior.

OCTOBER 19, 1956.

1. Section 196.4 is amended to read as follows:

§ 196.4 *Lease bond.* A compliance bond, in no event less than $5,000, with approved corporate surety (Form 4-1113), or the lessee's personal bond in similar amount (Form 4-1114), will be required prior to the issuance of a lease. Personal bonds must be accompanied by negotiable Federal securities in the amount of the bond. The right is reserved at any time before or after issuance of the lease to require an increase of the amount of the bond, whether a corporate or personal bond, in any case where the Bureau of Land Management deems it proper to do so.

2. The text of § 196.9 is redesignated as paragraph (a) of that section and a new paragraph (b) is added thereto, to read as follows:

§ 196.9 *Issuance of noncompetitive lease.* * * *

(b) If the applicant dies before the lease is issued, the lease will be issued to the executor or administrator of the estate if probate of the estate has not been completed; if probate has been completed, or is not required, to the heirs or devisees; and if there are minor heirs or devisees, to their legal guardian or trustee in his name, provided there is filed in all cases the following information:

(1) Where probate of the estate has not been completed:

(i) Evidence that the person, who as executor or administrator submits forms of lease and bond, has authority to act in that capacity and to sign such forms.

(ii) Evidence that the heirs or devisees are the heirs or devisees of the deceased applicant and are the only heirs or devisees of the deceased.

(iii) A statement over the signature of each heir or devisee concerning citizenship and holdings similar to that required by § 196.7 (b) and (c).

(2) Where the executor or administrator has been discharged or no probate proceedings are required:

(i) A certified copy of the will or decree of distribution, if any, and if not, a statement signed by the heirs that they are the only heirs of the applicant and citing the provisions of the law of the deceased's last domicile showing no probate is required.

(ii) A statement over the signature of each of the heirs or devisees with reference to citizenship and holdings similar to that required by § 196.7 (b) and (c), except that if the heir or devisee is a minor, the statement must be over the signature of the guardian or trustee.

(3) Where there is a legal guardian or trustee:

(i) A certified copy of the court order authorizing the guardian or trustee to act as such and to fulfill in behalf of the minor or minors all obligations of the lease or arising thereunder; statements by the guardian or trustee as to the citizenship and holdings of each of the minors and as to his own citizenship and holdings, including his holdings for the benefit of other minors similar to that required by § 196.7 (b) and (c).

3. Section 196.12 is amended to read as follows:

§ 196.12 *Action by successful bidder.* (a) The successful bidder at a sale by public auction must on the day of sale

deposit with the Manager of the proper land office, or other officer conducting the sale and each bidder at a sale by sealed bids must submit with his bid the following: Certified check, cashier's check, bank draft, money order, or cash for one-fifth of the amount bid by him and a statement over the bidder's own signature with respect to citizenship and interests held, similar to that required by § 196.7 (b) and (c).

(b) Upon receipt of the high bid at, and at the close of, an oral auction, or the opening of the sealed bids, the authorized officer, subject to his right to reject any and all bids, will award the lease to the successful bidder, who will be notified accordingly. If the land is surveyed four copies of the lease will be sent to the successful bidder, who will be required within 30 days from receipt thereof to execute them, pay the balance of the bonus bid, the first year's rental and the cost of publication of the notice of lease offer as specified in § 196.11, and file a bond as required by § 196.4. The lease will be dated as of the first day of the month following its issuance unless the successful bidder requests that it be dated as of the first day of the month of issuance. If the land is unsurveyed, the successful bidder will not be required to comply with the requirements of this subsection until the land has been surveyed and the plat of such survey accepted and officially filed. Such survey will be at the expense of the Government. If the bidder after being awarded a lease, fails to execute it or otherwise comply with the applicable regulations, his deposit will be forfeited and disposed of as other receipts under the Mineral Leasing Act. If the lease awarded to the successful bidder is executed by an attorney acting in behalf of the bidder, the lease must be accompanied by evidence that the bidder authorized the attorney to execute the lease. If the bidder dies before the lease is issued, there must be furnished satisfactory evidence, such as specified in § 196.9 (b), in order that the Manager of the proper land office may determine to whom the lease may be issued.

5. Section 196.15 is amended to read as follows:

§ 196.15 *Relinquishment of lease.* Upon a satisfactory showing that the public interest will not be impaired, the lessee may surrender the entire lease or any legal subdivision thereof. A relinquishment must be filed in duplicate in the appropriate land office. Upon its acceptance it shall be effective as of the date it is filed, subject to the continued obligation of the lessee and his surety to make payment of all accrued rentals and royalties and to provide for the preservation of any mines or productive works or permanent improvements on the leased lands in accordance with the regulations and terms of the lease.

NOTICES

DEPARTMENT OF THE TREASURY

Foreign Assets Control

DYED HOG BRISTLE OF GERMAN ORIGIN

AVAILABILITY OF LICENSES FOR IMPORTATION

On July 3, 1956, the Treasury Department gave notice that it was prepared to consider applications on Form TFAC-1 for licenses under the Foreign Assets Control Regulations, 31 CFR 500.101 to 500.808, to consummate contracts for the purchase and importation from Germany, in appropriate cases, of dyed hog bristles of German origin, provided that such bristles were dyed and dressed pursuant to such contract or contracts entered into between the applicant and the German exporter prior to April 14, 1955, and in reliance upon the German certificate of origin procedure, which was announced in the FEDERAL REGISTER on September 22, 1953 (18 F. R. 5655), and which is no longer in effect. It was stated that licenses issued pursuant to such applications would authorize the importation of bristle for entry into warehouse but that the release from warehouse of bristle imported pursuant to such licenses would be authorized only after the Foreign Assets Control was satisfied by physical inspection of the merchandise, and such other measures as might be appropriate, that the merchandise consisted solely of dyed bristle of German origin.

It was further stated that the fact that a licensee has paid for bristle under the license issued pursuant to the foregoing would not be considered a factor warranting the release from warehouse of bristle which was not found by Foreign Assets Control to consist entirely of dyed bristle of German origin.

It has now been determined that license applications will be considered from any applicant to purchase bristle dyed and dressed in Germany in reliance on the now terminated certificate of origin procedures by a German supplier who proceeded in reliance upon a contract with an American importer regardless of whether the applicant is the importer in question. All other terms and conditions of the July 3, 1956, notice will continue to be applicable.

To assure the Foreign Assets Control that the bristle to which each application refers has been firmly offered each applicant, whether or not he was a party to the contract under which the bristle was prepared, must submit a statement from the German exporter that the bristle is not the subject of any other outstanding offer and that the offer to the applicant will not be withdrawn unless the application is denied.

Additional information and license application forms may be obtained from the Foreign Assets Control, Treasury Department, Washington 25, D. C., or the Federal Reserve Bank of New York, 33 Liberty Street, New York 45, New York.

The application in Docket No. G-10806 recites that Montana-Dakota proposes to construct and operate the said facilities to enable it to obtain additional volumes of residue gas for its system to be purchased from Texas Natural. [Docket No. G-11135]

NORTH CAROLINA GAS CORP.

NOTICE OF APPLICATION

OCTOBER 22, 1956.

Take notice that The North Carolina Gas Corporation (Applicant), a North Carolina corporation with principal place of business in Reidsville, North Carolina, filed, on September 25, 1956, as amended October 9, 1956, pursuant to section 7 (a) of the Natural Gas Act, an application for an order directing Transcontinental Gas Pipe Line Corporation (Transco) to establish physical connection of its natural gas transportation facilities with Applicant's proposed natural gas system for the purpose of delivering natural gas to Applicant (1) for resale and distribution by Applicant to residential, commercial and industrial consumers in the Towns of Madison and Moyadan, Rockingham County, North Carolina via its proposed distribution systems therein and (2) for resale and delivery by Applicant on an interruptible basis to the Pine-Hall Brick and Pipe Line Company, Inc., located about 2 miles Southwest of Madison; all as hereinafter described, as more fully represented in the application which is on file with the Commission and open for public inspection.

Applicant proposes to construct and operate (1) at an estimated cost of $259,549 approximately 12.5 miles of 6-inch lateral transmission line extending in a general Northwesterly direction from a point of interconnection with Transco's main transmission line near Bethany, Rockingham County, North Carolina, at which point a meter station is to be located, to the Pine-Hall Brick and Pipe Line Company, Inc., and (2) approximately 2.5 miles of 4-inch lateral transmission line extending in a general Northerly direction from a point of interconnection with the lateral described in (1) hereof at a point about 2 miles back from the northernmost terminus thereof, through Madison and to Mayodan, together with natural gas distribution systems in Madison and Mayodan which are estimated to respectively cost approximately $84,667 and $52,987 inclusive of their pro rata shares in the cost of said 4-inch lateral.

The estimated total cost of the foregoing project is $397,203. Applicant states that it has a present allocation of 3,000 Mcf of natural gas per day from Transco which, after giving effect to the instant project, will not be exceeded. The estimated peak day gas requirements and annual gas requirements in Mcf for the first three years of operation for Madison and Mayodan together with the actual 1955 figures adjusted for an average growth for Reidsville, Spray, Draper and Leaksville are as follows:

	First year	Second year	Third year
Peak day:			
Madison	93	121	152
Mayodan	18	50	75
Reidsville et al.	1,684	1,844	2,041
Total	1,795	2,015	2,268
Annual:			
Madison	242,654	250,928	259,260
Mayodan	95,799	106,602	115,255
Reidsville et al.	249,435	266,999	288,796
Total	587,888	624,529	663,311

Applicant states that the requirement of Pine-Hall Brick and Pipe Line Company, Inc., is approximately 800 Mcf per day (24,000 Mcf per month); that this project will permit Applicant to avail itself of an additional interruptible load of approximately 800 Mcf per day with the conservative expectation of it increasing to 1,500 Mcf in the second year and still being within its 3,000 Mcf allocation limit from Transco; and that the addition of this interruptible load will greatly improve the operating load factor of Applicant and make it possible for Applicant to supply approximately 300 additional customers with home heating gas service.

This matter is one that should be disposed of as promptly as possible under the applicable rules and regulations and to that end: Take further notice that protests or petitions to intervene may be filed with the Federal Power Commission, Washington 25, D. C., in accordance with the rules of practice and procedure (18 CFR 1.8 or 1.10) on or before November 9, 1956.

ATLANTIC REFINING CO.

ORDER SUSPENDING PROPOSED CHANGE IN RATES

The Atlantic Refining Company (Atlantic), on September 11, 1956, tendered for filing a proposed change in its rate schedule, which rate schedule became effective on October 4, 1956, for sales of gas subject to the jurisdiction of the Commission. The proposed change, which constitutes an increased rate and charge, is contained in the following designated filing, which is proposed to become effective on the date shown:

Description; Purchases; Rate Schedule Designation; and Effective Date

Notice of change, dated September 7, 1956; Texas Eastern Transmission Corporation; Supplement No. 2 to Atlantic's FPC Gas Rate Schedule No. 136; November 1, 1956.[1]

Supplement No. 2 to Atlantic's FPC Gas Rate Schedule No. 136 includes a proposed reduction in rate effective on the date of initial deliveries under this rate schedule, October 4, 1956, reflecting the decrease in the Texas occupation tax which became effective September 1, 1956. The supplement also includes a proposed periodic increase in rates for gas sold.

The increased rate and charge proposed in the aforesaid filing has not been shown to be justified, and may be unjust, unreasonable, unduly discriminatory, or preferential, or otherwise unlawful.

The Commission finds: It is necessary and proper in the public interest and to aid in the enforcement of the provisions of the Natural Gas Act that the Commission enter upon a hearing concerning the lawfulness of the said proposed change, and that the above-designated supplement, only insofar as the designated supplement pertains to a periodic increase in rates for gas sold, be suspended and the use thereof deferred as hereinafter ordered.

The Commission orders:

(A) Pursuant to the authority contained in sections 4 and 15 of the Natural Gas Act and the Commission's general rules and regulations (18 CFR Chapter I), a public hearing be held upon a date to be fixed by notice from the Secretary concerning the lawfulness of said proposed change in rates and charges; and, pending such hearing and decision thereon, the above-designated supplement, only insofar as it pertains to a proposed periodic increase in rates for gas sold, be and the same hereby is suspended and the use thereof deferred until April 1, 1957, and until such further time as it is made effective in the manner prescribed by the Natural Gas Act.

(B) Neither the supplement hereby suspended nor the rate schedule sought to be altered thereby, shall be changed until this proceeding has been disposed of or until the period of suspension has expired, unless otherwise ordered by the Commission.

(C) Interested state commissions may participate as provided by §§ 1.8 and 1.37 (f) of the Commission's rules of practice and procedure (18 CFR 1.8 and 1.37 (f)).

Issued: October 22, 1956.

SOUTHERN MOTOR CARRIERS RATE CONFERENCE, INC., ET AL.

SOUTHERN MOTOR RATE INCREASES, 1956

At a General Session of the Interstate Commerce Commission, held at its office in Washington, D. C., on the 18th day of October A. D. 1956.

The Southern Motor Carriers Rate Conference, Inc., other associations and certain common carriers by motor vehicle, as listed in the appendix hereto, have filed petitions requesting (a) an investigation of rates on general commodities (with certain exceptions) maintained by all common carriers by motor vehicle operating within Southern Territory and interritorily between the East and the South, insofar as the lawfulness of those rates may be affected by differences resulting from the nonapplication of a recent 6 percent general increase in rates by certain of the carriers by motor vehicle; (b) the issuance of an order by the Commission requiring all such carriers to increase the rates described by 6 percent and to observe the rates so increased as minimum rates for a period of not less than 90 days; and (c) that all carriers by motor vehicle operating in the defined territories be made respondents in such proceedings.

The rates and territories are more specifically described in the said petitions as listed in the appendix.

A reply in opposition to the petitions for an investigation has been filed by the St. Andrews Bay Transportation Company.

Upon consideration of the matters set forth in the petitions and the reply, it appears that good cause has been shown to warrant institution of an investigation to determine whether any unlawfulness exists as a result of differences in the rates of the carriers made respondents herein caused by the nonapplication by some of them of the 6 percent general increase published by others and to determine whether a minimum basis should be required to be established to remove any unlawfulness that may be found to exist.

It is ordered, That an investigation be, and it is hereby, instituted into and concerning the reasonableness and the lawfulness otherwise of the rates and charges of all common carriers by motor vehicle subject to the Interstate Commerce Act engaged in the transportation of general commodities (except those of unusual value, dangerous explosives, household goods as defined by the Commission, commodities in bulk, and those injurious or contaminating to other lading) intraterritorially within Southern Territory and interterritorially between the East and the South, as those territories are described in Southern Motor Carriers Rate Conference Eastern-Southern Class Tariff 504, MF-I. C. C. No. 614 and Southern Class Tariff 501, MF-I. C. C. No. 611. Such investigation is ordered, as requested to determine whether an order should be issued requiring all carriers that have not applied a general increase of 6 percent, to increase their rates by 6 percent over the level of rates maintained by such carriers on intraterritorial traffic within Southern Territory on July 15, 1956, and the rates on interterritorial traffic between that territory and Eastern Territory in effect on July 1, 1956, or to grant such other relief and to enter such other orders or orders, as the facts shall warrant.

It is further ordered, That all common carriers by motor vehicle subject to the Interstate Commerce Act engaged in the transportation of property as described in the preceding ordering paragraph be, and they are hereby, made respondents in this proceeding.

It is further ordered, That this proceeding be, and it is hereby, set for hearing at the office of the Southern Motor Carriers Rate Conference, Inc., 1307 Peachtree Street NE., Atlanta, Ga., on December 17, 1956, at 10 o'clock a. m. U. S. Standard Time, before Examiner George B. Vandiver.

And it is further ordered, That notice of this proceeding be given to the respondents and to the general public by posting a copy of this order in the office of the Secretary of the Commission at Washington, D. C., and by filing a copy with the Director, Division of Federal Register.

By the Commission.

[SEAL] HAROLD D. McCOY, *Secretary.*
